

RESOLUTION TO AUTHORIZE THE BOARD OF DIRECTORS TO RESOLVE TO ISSUE NEW SHARES

The Board of Directors' resolution to authorize the Board of Directors to resolve to issue new shares, warrants or convertible loans

The Board of Director proposes that the AGM resolves to authorize the Board of Director to, within the limits of the articles of association, until the next AGM, on one or more occasions, resolve to make an issue of shares, warrants and/or convertible loans.

The issue may take place with or without deviation from the shareholders' pre-emptive rights. By decision on the basis of the authorization, a total of no more than a number of shares, exercise of warrants and/or in the conversion of convertibles corresponding to 10% of the total number of outstanding shares in the company at the time of the AGM's decision on the authorization (which does not prevent convertibles from being combined with conversion terms which, if applied, may result in a different number of shares).

The authorization includes the right to resolve that shares will be issued against cash payment, payment in kind or payment by way of set-off and the issue may otherwise be subject to conditions as set out in Chapter 2, section 5, second paragraph, 1-3 and 5 of the Swedish Companies Act.

A cash issue or issue by way of set-off that takes place with deviation of shareholder pre-emption rights must take place on market terms. When using the authorization, the assessment made in this regard must be reported.

The reason for the proposal and the right to deviate from the shareholders' pre-emption rights is to allow flexibility in conjunction with the raising of capital or potential acquisitions. When using the authorization, the assessment made in connection with deviation from the shareholders' pre-emptive right must be reported.

The Board or its nominee, is entitled to decide on any minor changes in the authorization resolution that may be required when registering the resolution at the Swedish Companies Registration Office or due to other formal requirements.
