Delivery to Saudi Arabia

Bactiguard delivers an order of more than 20 000 Foley catheters for infection control to Saudi Arabia.

At the end of June, Bactiguard delivered an order of more than 20 000 Foley catheters to Gulf Medical in Saudi Arabia. Gulf Medical distributes Bactiguard's portfolio of products for infection control to the healthcare system in both Saudi Arabia and the United Arab Emirates (UAE).

"We are very pleased about the increased interest from the healthcare system in Saudi Arabia and UAE to combat hospital acquired infections at the source. Preventive measures will become more and more important as multi resistant bacteria continue to spread across the world. Bactiguard provides solutions which are both effective and cost-efficient," says Christian Kinch, CEO.

About Bactiguard

Bactiguard is a Swedish medtech company with a mission of preventing healthcare associated infections, reducing the use of antibiotics and saving lives by developing and supplying infection prevention solutions for the healthcare industry. The company's patented coating prevents healthcare associated infections by reducing bacterial adhesion and growth on medical devices. Bactiguard®-coated urinary catheters are market leading in the US and Japan, and in recent years the company has developed its own product portfolio of catheters for the urinary and respiratory tract and the blood stream. Bactiguard is currently in a strong expansion phase, focused on new markets in the Europe, Middle East, Asia, Latin America and Southern Africa. The company has market presence in some 50 countries and has about 60 employees. Its headquarters are located in Stockholm and production facilities in Sweden and Malaysia. Bactiguard is listed on Nasdaq Stockholm. Read more about Bactiguard at www.bactiguard.com.
