

Invitation

Stockholm January 28, 2020

Invitation to presentation of Bactiguard's year end report for 2019 on February 5, 2020

Bactiguard Holding AB (publ) publishes the year end report for 2019 on Wednesday, February 5, 2020 at 8:00 CET.

In connection with this, a web conference for investors, analysts and media will be held at 10:00 CET on February 5. CEO Christian Kinch and CFO Cecilia Edström will present the year end report and answer questions.

The year end report and a presentation for the conference will be available at Bactiguard's website www.bactiguard.com.

To participate in the web conference, please use this link:

<https://event.on24.com/wcc/r/2183108/6D26A2B6DE759FBD402AA1943E5D860F>

Questions may be submitted by dialing **+46 8 566 426 95**, during the conference. If you don't wish to ask questions by telephone you only need to participate through the link above.

For further information, please contact:

Cecilia Edström, CFO, mobile: +46 722 262 328

About Bactiguard

Bactiguard is a Swedish medical device company with a mission to save lives. To achieve this mission, we develop and supply infection protection solutions which reduce the risk of healthcare associated infections and the use of antibiotics. This way, we save significant costs for healthcare and the society at large.

The Bactiguard technology prevents bacterial adhesion and biofilm formation on medical devices. Bactiguard offers the technology through licence agreements and our BIP (Bactiguard Infection Protection) portfolio of products. Through our licence partner CR Bard, urinary catheters with Bactiguard's coating are market leading in the USA and Japan. Bactiguard's own product portfolio of urinary catheters, endotracheal tubes and central venous catheters prevent some of the most common infections, which appear in the urinary tract, the blood stream and the respiratory tract.

Bactiguard is in a strong expansion phase in the European markets, China, India and the Middle East as well by establishing license agreements in new therapeutic areas. The company has about 70 employees around the world. Its headquarters and one of two production facilities are located in Stockholm, the other one in Malaysia. Bactiguard is listed on Nasdaq Stockholm.
